

Citizen Science Resources

From The Discovery Center for Science and Technology Science Speaker Series

<http://www.sciencespeakerseries.org>

19.March.2015

Compiled by Rebecca Johnson, rjohnson@calacademy.org

Fold-it

Protein folding game

<https://fold.it/portal/>

The Zooniverse

On-line photo classification

<https://www.zooniverse.org>

Old Weather

<http://www.oldweather.org>

Galaxy Zoo

<http://www.galaxyzoo.org>

eBird

Record and share bird observations

<http://ebird.org/content/ebird/>

eButterfly

Record and share butterfly observations

<http://www.e-butterfly.org>

Digital Fishers

Classify photos of deep sea animals

<http://digitalfishers.net>

Eye-Wire

Help trace and understand neural pathways

<https://eyewire.org/signup>

Change Monitoring

Use your phone or camera to help document fire recovery

<http://nerdsfornature.org/monitor-change/>

Spring Fire

<http://www.nps.gov/samo/learn/management/springs-fire-photo-monitoring.htm>

Rim Fire

<http://rimfire.whollyh2o.org>

Mountain Restoration Trust

Adopt a creek and other projects in the Santa Monica Mountains

<http://www.mountaintrust.org>

MPA Watch

Walk on the beach and keep track of fishing and activities inside and outside Marine Protected Areas

<http://www.healthebay.org>

<http://www.healthebay.org/get-involved/volunteer/mpa-watch>

<http://www.mpawatch.org>

Litterati

Document trash and help clean up your neighborhoods

<http://www.litterati.org>

iNaturalist

Document plants and animals. Connect to nature and help science and conservation

<http://www.inaturalist.org>

Projects in Thousand Oaks and Environs

LA Nature Map

<http://www.inaturalist.org/projects/l-a-nature-map>

On the Lobster Trail

<http://www.inaturalist.org/projects/on-the-lobster-trail>

Reptiles and Amphibians of Southern California

<http://www.inaturalist.org/projects/reptiles-and-amphibians-of-california>

Southern California Squirrel Project

<http://www.inaturalist.org/projects/southern-california-squirrel-survey>

Springs Fire Recovery

<http://www.inaturalist.org/projects/2013-springs-fire-recovery>

Tracking Starfish Wasting and Recovery

<http://www.inaturalist.org/projects/pisaster-disaster-tracking-starfish-wasting-disease>

Ventura Biodiversity Watch

<http://www.inaturalist.org/projects/ventura-county-biodiversity-watch>

SciStarter

Find projects

<http://scistarter.com>

California Academy of Sciences: Citizen Science
